

**OPITO is a not for profit industry owned organisation, which works with employers and employee groups to set and monitor training and competence standards for the global offshore oil & gas Industry.**

- **OPITO works in partnership with approved training providers to ensure that the delivery of key safety and emergency training meets the required industry standards**
- **OPITO maintains a database of personnel training details which can be accessed world wide by employers**
- **OPITO training and certification is recognised in the majority of regions where the oil & gas industry operates, helping avoid duplicate training**
- **OPITO works in partnership with employers to develop & approve systems designed to prove the competence of their employees.**

**If you wish to find out more about the services which OPITO provides to the offshore oil and gas industry visit [opito.com](http://opito.com)**
